SUMMARY

I hold a Bachelor's degree in Engineering from Karpagam College of Engineering, and I recently completed a comprehensive MERN Full Stack Developer course at QUVI Institute. My educational background and hands-on training have equipped me with a strong foundation in engineering principles as well as cutting-edge skills in web development using the MERN (MongoDB, Express.js, React, Node.js) stack. I am passionate about creating dynamic and user-friendly web applications and am constantly seeking opportunities to contribute to innovative projects. Feel free to connect with me to explore collaboration and discuss the exciting possibilities at the intersection of engineering and full-stack development.
